

Founded in 1905  
Rotary is the world's first  
service club organisation

ROTARY INTERNATIONAL®  
THE ROTARY FOUNDATION®

With more than 1.2 million members in 33,000 clubs worldwide, Rotary forms a global network of business and professional leaders.

Rotary offers a flexibility of involvement. It continues to evolve to reflect changes in the community and the expectations of potential members.

Opportunities exist in Rotary for Corporate Alliances; sponsorship, local community involvement and joint projects. New ideas are fostered and encouraged. I have been fortunate to experience many different activities through Rotary having made many friends domestically and internationally.
